

Meet the Speaker: Derrick Bishop

Patient Speaker - Public Conference on Cancer

Oct 15, 2022

Title of the talk: Personal impact of hereditary cancer - My story

Who is Derrick Bishop? Derrick Bishop hails from St. John's, but now residing in Conception Bay South, NL. He received his Bachelors degrees from Memorial University of Newfoundland and Queen's College School of Theology.

What will Derrick Bishop talk about? I have been affected by hereditary cancer since my early childhood. I recognize how my life has been positively impacted by genetic research which has made it possible for me to learn my genetic status, and thus avail of screening programs that have lengthened my life.
