

## Meet the Speakers: Scott Antle and Gregory Doyle

Healthcare administrator speakers - Public Conference on Cancer

Oct 15, 2022

### Title of the talk: Population Cancer Screening in Newfoundland and Labrador

Scott Antle

**Who is Scott Antle?** Scott is a Division Manager in the Cancer Care Program of Eastern Health where he has managed the Newfoundland and Labrador Colon Screening Program, the Smoking Cessation in Cancer Care Program and co-manages the Cervical Screening Initiatives Program. He is a member of multiple screening networks with the Canadian Partnership Against Cancer and volunteer chair of the Board of Directors with the Newfoundland and Labrador Alliance for the Control of Tobacco. Scott began his career working for the Nurses' Health Study at the Harvard University School of Public Health. From there he was Director of Programs and Acting Executive Director with the Canadian Cancer Society NL Division.

**Who is Gregory Doyle?** Gregory is the Division Manager Breast Cancer Screening/Cervical Cancer Screening Initiative programs.

**What will Scott and Gregory talk about?** Scott and Gregory will present on the Provincial Population Based Cancer Screening Programs, discussing current programs and the future of cancer screening. Specific objectives would include:

- The WHO principles of screening
- How Cancer Screening is operationalized in NL
- Controversies in Population Cancer Screening
- Risks and Benefits of Cancer Screening
- Future directions for Cancer Screening

For further information about the cancer screening programs available to the residents of Newfoundland and Labrador, please visit: <https://cancercare.easternhealth.ca/prevention-and-screening/>
